

## Every Breath You Take

Every breath you take  
And every move you make  
Every bond you break  
Every step you take

I'll be watching you

Every single day  
And every word you say  
Every game you play  
Every night you stay

I'll be watching you

Oh, can't you see You belong to me?  
How my poor heart aches With every step you take?

Every move you make  
And every vow you break  
Every smile you fake  
Every claim you stake

I'll be watching you

Since you've gone, I've been lost without a trace  
I dream at night, I can only see your face  
I look around, but it's you I can't replace  
I feel so cold, and I long for your embrace  
I keep crying, baby, baby please

Oh, Oh, 7 x ta-la la, .....

Oh, can't you see You belong to me?  
How my poor heart aches With every step you take?

Every move you make  
every vow you break  
Every smile you fake  
Every claim you stake

I'll be watching you

Every move you make

Every step you take

I'll be watching you
